WRITERS ARE
DANGEROUS PEOPLE

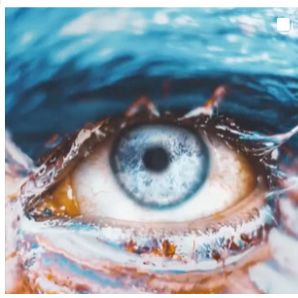

Never take a writer
for granted.

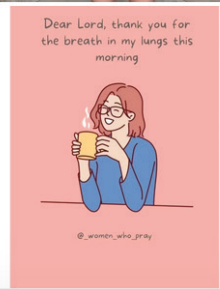

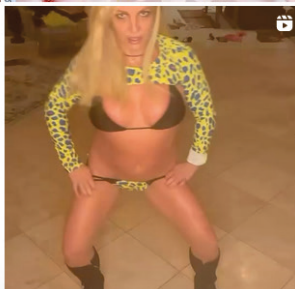

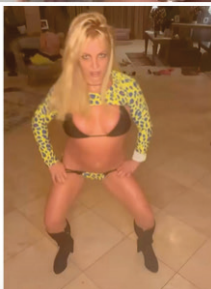

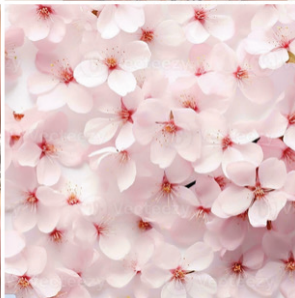

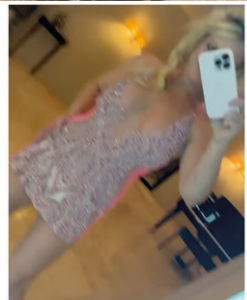

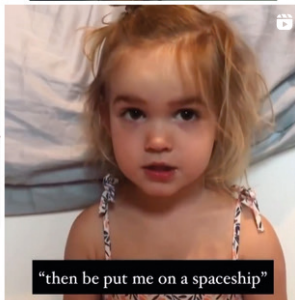

They are snipers
armed with words.
They know
how to aim
with sentences,
how to fire
with paragraphs,
and
how to immortalise
their kills
in verse.

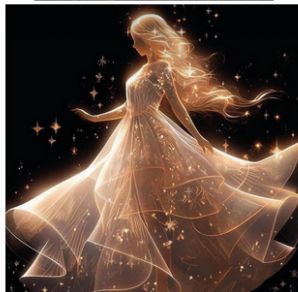

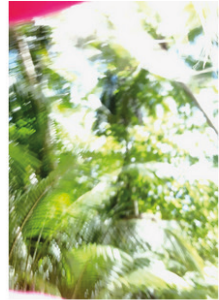

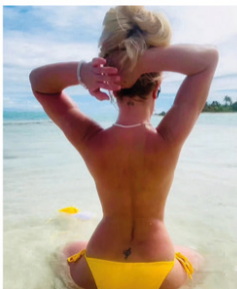

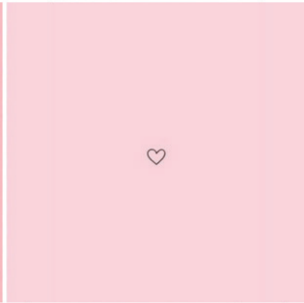

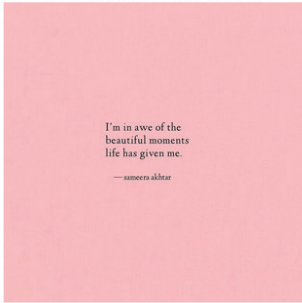

I would like respect at this time for people to understand I am getting stronger everyday !!! Truth sucks so can someone teach me how to lie 🤔 ??? Goddesses out there, I'm reaching my higher power and furthermore, I hope you guys are too !!! I need a new toothbrush right now 🙄🙄🙄 PS ... I need an espresso 🌹🌹🌹 🌹🌹🌹 !!! PSS ...Not sure why I feel the need to share this ... I guess I'm just a girl and I'm on my period so I'm bitchy ... shit 🤔 !!! I also twisted my ankle last night and paramedics showed up at my door illegally. They never came in my room but I felt completely betrayed. The paramedics

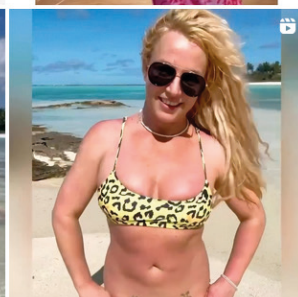

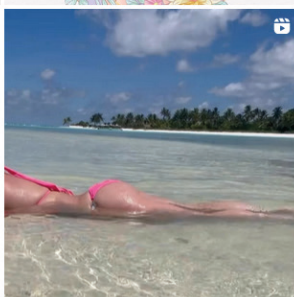

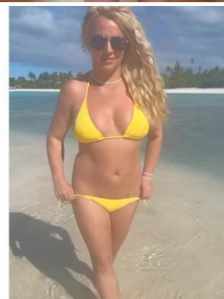

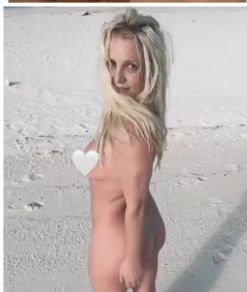

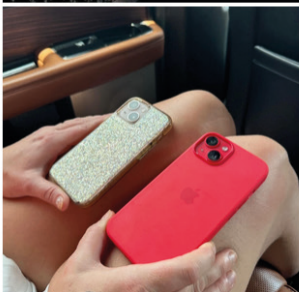

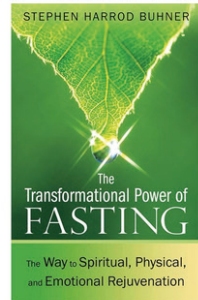

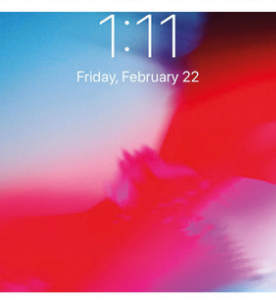

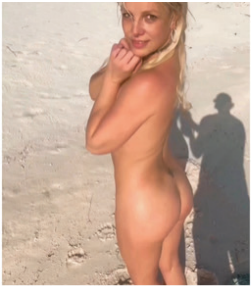

Summary of my trip

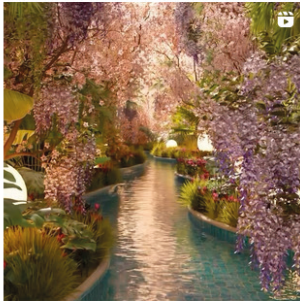

Going to the gym is never what it seems !!! I say I'm gonna go hard ... but I always walk for 20 min and do 100 sit up's and leave 🍷 !!! This time I chewed gum and was shocked at how short I looked in the mirror 🧊 !!! Riding bikes with my friend honestly seemed like a great idea 🚲 ... but I went too far and got lost 🍷 !!! When finding my way back I went to play tennis 🎾 !!! I thought I lost my phone but it was under a ladder 🪜 !!! I know

My book's purpose was not to offend anyone by any means !!! That was me then ... that is in the past !!!! I don't like the headlines I am reading ... that's exactly why I quit the business 8 years ago !!! Most of the book is from 20 years ago ... I have moved on and it's a beautiful clean slate from here !!! I am here to establish it that way for the rest of my entire life !!! Either way, that is the lost of it and shit happens !!! This is actually a book I didn't know needed to be written ... although some might be offended, it has given me closure on all things for a better future !!! Hopefully I can enlighten people who feel particularly alone in most cases or hurt or misunderstood !!! Again, my motive for this book was not to harp on my past experiences which is what the press is doing and it's dumb and silly !!! I have moved on since then !!! #TheWomanInMe

My heart is shattered. I'm lost for words. My prayers are with the victims of Robb Elementary and their families. Our sympathies and condolences are just not enough. We have to take action. We need change. Enough is enough. We will keep our prayers coming even if it's not enough to heal the loss.

IT IS WITH OUR DEEPEST SADNESS WE HAVE TO ANNOUNCE THAT WE HAVE LOST OUR MIRACLE BABY EARLY IN THE PREGNANCY. THIS IS A DEVASTATING TIME FOR ANY PARENT. PERHAPS WE SHOULD HAVE WAITED TO ANNOUNCE UNTIL WE WERE FURTHER ALONG HOWEVER WE WERE OVERLY EXCITED TO SHARE THE GOOD NEWS. OUR LOVE FOR EACH OTHER IS OUR STRENGTH. WE WILL CONTINUE TRYING TO EXPAND OUR BEAUTIFUL FAMILY. WE ARE CRATEFUL FOR ALL OF YOUR SUPPORT. WE KINDLY ASK FOR PRIVACY DURING THIS DIFFICULT MOMENT.

It's okay — Your neck's identity
Some can't lie to me anymore
Some things remain forbidden
Do you dare find the doors
Breaking plates you've hidden
All sufficed at the shore
If God saw the Devil
What would he or she say ???
The righteous find no petals
Solid ground I say yes
Slur to tongue the sick
The righteous use their ✂️ swords
Offend with just the head
Most bow to these lords
The prayer to most some mock
Repeating what they know
Like birds 🐦 flying flocks
To gather food below
To nest the riches home
To reside and close the door
The blanket follows seeds

Thank you for dogs 🐾 !!! Dog spelled backwards is God ... not sure any correlation but I do think that dogs are extraordinary animals !!! Although I've been attacked by 2 dogs in my life ... I am still drawn to them !!! The dogs that attacked me weren't big dogs, one a cocker spaniel 🐾 and the other I'm not sure of the breed ... the cocker spaniel literally out of nowhere just scratched, bit and barked until I had to get on the hood of a car 🚗 and crawl up backwards on my back !!! I didn't go to the hospital 🏥 ... I just remember being in the tub with blood 💧 everywhere and it stung so bad !!! I was 8 ... the next time I was on a double date with my new jeans 🍑 at 16 and I went to the door to get my friend and this black dog came out of no where ... it didn't attack me like the other dog but he just came up to me and bit a hole in my leg and a huge hole in my jeans 🍑 !!! Ever since then I have to get to know animals before I really approach them ... I have several small animals and my baby 🐾 is so sweet ... I've never even heard her bark !!! My dogs are unbelievably precious ... I grew up with really big dogs !!! They were German Shepherds and were trained in Germany 🇩🇪 !!! When I used to have men speaking in Spanish at my gate in Louisiana ... my dog that was God to me was Angel !!! It was the most beautiful animal

Dear Ms. Spence:

Congratulations to you and your attorney, Malibu Renaissance, on your historic victories. It goes without saying that we have been following your conservatorship closely and were elated that you were able to both secure your future as a young woman in September and finally terminate your conservatorship entirely in November. Your journey towards justice will inspire and empower many others who are tragically abused by the conservatorship process.

Many concerning issues that are commonplace in the guardianship and conservatorship process were brought to light. Especially troubling was news that, for years, you were unable to live your own consent to represent your personal and financial interests. Other issues surrounding the initial petition, the critical importance of the conservatorship, and being forced to engage in adversarial dispute your will, are all topics concerning.

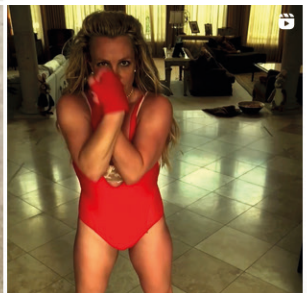

To that end, we wanted to personally acknowledge you and your consent to meet with us in Congress as a mutually convenient time to discuss in your own words how you achieved justice. There is no doubt that your story will empower countless others about the realities that are already suffered by you and your staff. Please know that you have absolutely no obligation to do anything more but fight for yourself, but if you are willing, we would appreciate hearing more about the emotional and financial impact of this entire conservatorship process.

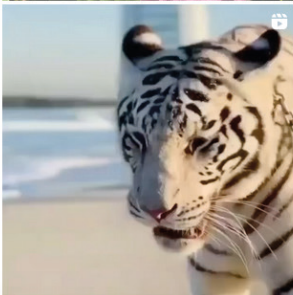

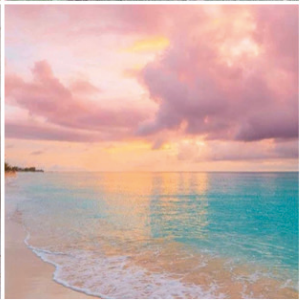

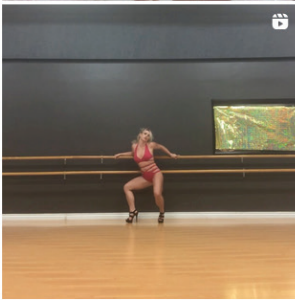

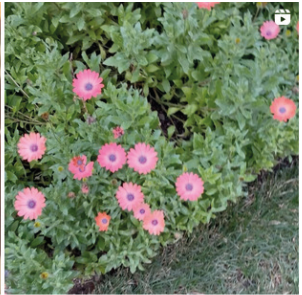

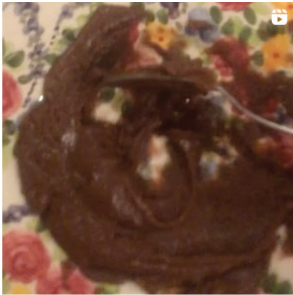

We updated your inspiring fight and stand ready to assist in any way that we can. Please feel free to contact Virginia Fox (virginia@americanwomen.gov) with Rep. Charles Cline or Sarah Shapiro (sarah.shapiro@senate.gov) with Rep. New York for further scheduling purposes.

Sincerely,

Charles Cline
